Nobusuke Kishi, Who Once Scrubbed Floors In Prison, Is Japan's Prime Minister

By DONALD BALDWIN
TOKYO (AP)—Nobusuke Kishi, a skillful politician who once scrubbed floors in U.S.-run Sugamo Prison, today became prime minister of Japan.

Kishi is a political conservative who is expected to make few changes in Japan's pro-Western policy. He has said Japan and the United States must always "go hand in hand," but that Japan also must do business with Red China.

The Diet (Parliament) elected Kishi overwhelmingly to the post he has long coveted, replacing Prime Minister Tanzan Ishibashi, who resigned because of ill health Saturday after only two months in office. Kishi was Ishibashi's foreign minister and had been "acting" temporary prime minister during the past month while Ishibashi was confined to his home with pneumonia and a weak heart.

Lauded By Commissioner

Ronald Houck, Carlisle district commissioner, told the approximately 100 gathered at the church in Goodyear for the charter presentation night program that "this is a situation probably unprecedented in Scouting, that three young men, starting in a brand new troop, should within three years from the date of the original chartering of their organization reach the top rank of the Scouting trail."

The mothers of the three Eagle Scouts pinned the new badges on their sons and in turn the sons presented their mothers with roses and necklaces. Gifts were given the fathers of the three Eagle Scouts.

GENERAL PAUL LAUDS SERVICE OF DAR CHAPTER

"The DAR, far from being a group living in the past, reverses the past and merges the past, present and future into the conscious life of today so that the freedoms our ancestors died for will not be submerged." With this tribute General Willard S. Paul, president of Gettysburg College, stressed the service rendered by the Daughters of the American Revolution when he addressed the Gettysburg chapter at the Washington Birthday luncheon at the Hotel Gettysburg at 12:30 o'clock, Saturday.

"You are tireless and vigilant in your crusade against Communist influence in this country, and may I say one of our most effective barriers to that atheistic threat. You are alert to every opportunity to promote constant and increased reverence for the American heritage. You distribute hundreds of thousands of patriotic leaflets to schools by offering prizes for historical essays, special historic projects, highest history grades, awards for 'good citizenship' and such.

"Outstanding Group"
"As President Eisenhower so aptly wrote: 'The Daughters of the American Revolution, through many years, have done much toward assuring in America a proud consciousness of the greatness of our past. I congratulate the Daughters on an essential work well done.'

"As an organization founded upon a conflict—a revolution—you have become an outstanding group dedicated to peace. In a world that sometimes confuses man's equality as being the same as man's integrity you have stood first for the integrity we like to think belongs to all men, but is practiced most consistently by Americans. The Daughters of the American Revolution are the daughters of an ideal—the American dream our founding fathers so clearly saw and wrote into the deathless words of the Constitution.

Patriotic Society
"Historically DAR is a patriotic society, and this word patriotic I emphasize, organized by and for (Continued on Page 2)

PLEADS GUILTY TO INDECENT ASSAULT HERE

Harvey A. Rannels, 29, Harrisburg, was released from the county jail this morning after pleading guilty to a charge of indecent assault and posting \$1,000 bail for sentence court before Justice of the Peace John H. Basehore.

Rannels was arrested Saturday afternoon about 4:30 o'clock and placed in jail following a chase by police and about 10 firemen on E. Middle St. Stratton and York Sts.

Police said Rannels had parked his car on Springs Ave. Saturday afternoon. Later he entered Wisotzkey's Shoe Store, Baltimore St., where he told Mrs. Ruth Wisotzkey, only person in the store at the time, that he wished to see some shoes for a lady. When Mrs. Wisotzkey went to get shoes he allegedly touched her.

Rannels, after another such occurrence, left the store, when Francis Wisotzkey returned to the store and learned from his wife of the occurrence, gave chase, calling to police. Rannels ran east on E. Middle St. Ten firemen at the engine house also took up the chase.

Nabbed By Chief
Rannels sped around the corner at Stratton and York Sts. and headed west on York.

The men lost sight of the negro, then heard noise from the basement of the former Rex apartments. They were about to open windows when they discovered the person in the basement was Officer Raymond Menges, who had also been taking part in the chase, and entered the basement in search of Rannels.

Officer Clarence H. Cluck came on the scene and was in full pursuit of Rannels when Chief of Police Jack Bartlett collared the Harrisburg negro in front of the Coffman-Fisher store.

Rannels was placed in jail until he could be brought before the justice this morning for the hearing at which he entered the plea.

women in 1890, designed to perpetuate the memory of those who took part in achieving American independence; to collect and preserve relics of the historic era and to erect monuments of the notable patriots at historic sites.

"But what do you believe, what do you do in the world of today, with the people of today? You have been termed as 'a conservative group' in your activities and yet you spend millions of dollars in the operation of schools for poor children in mountain sections, in scholarships and loans toward a college education and thousands more in generous amounts to war relief. Perhaps this is conservative. If so, it is the kind America likes."

General Paul also cited DAR work in schools, with Brownie Troops, Girl and Boy Scout troops, Junior American Citizens Clubs, Children of the American Revolution, with immigrants, in scholarship programs extended to Negroes and Indians, in restoration of many historic forts, inns, Revolutionary meeting places and colonial homes.

COUPLE IS WED
SATURDAY IN
EMMITTSBURG

Miss Joyce Ann Behr, daughter of Mr. and Mrs. Harry Behr, Pen Mar, Md., became the bride of Eugene Richard Rosensteel, son of Mrs. Laura Rosensteel Fritz, De Paul St., Emmitsburg, and the late Allen Rosensteel, at a Nuptial Mass in St. Joseph's Catholic Church, Emmitsburg, at 10 o'clock Saturday morning.

Rev. Fr. Vincent Heary, assistant pastor, officiated at the double-ring ceremony. Mrs. Marie Rosensteel, aunt of the groom, sang "On This Day O Beautiful Mother," "Bless Thou These Souls," and "Thou For Whom I've Long Been Singing." After the Mass when a special bouquet of white roses was placed on the altar of the Blessed Virgin, Mrs. Rosensteel sang "Mother At Your Feet We're Kneeling." Prof. Sternsky gave violin selections of "Ave Maria" and "Panis Angelicus." Miss Louella Lansinger was the organist.

The bride, who was given in marriage by her father, wore a white waltz-length gown of Chantilly lace and tulle over bridal satin. The fitted bodice was fashioned with a standup collar and long fitted sleeves pointed over the wrists. The very full bouffant skirt had layers of full ruffles under the lace. Her fingertip veil was attached to a crown of seed pearls. She carried a prayer book topped with pale pink roses and streamers.

Miss Loretta Behr, Pen Mar, sister of the bride, was the maid of honor. She wore an orchid gown of lace over net. Her headpiece was a crown fashioned from lilies of the valley.

FOUR ARE MADE
HOMELESS BY
SUNDAY BLAZE

Four persons were made homeless when a fire of an undetermined origin damaged their residence about four miles north of Hanover along the Carlisle highway Sunday evening about 5:15 o'clock.

Edward O'Brien, owner, said his family was visiting at the nearby home of his father, David O'Brien, New Oxford R. 1, when the blaze was discovered.

O'Brien estimated the loss at \$2,000 and said he had no insurance on the building or its contents. He said the family was living in a new large concrete block garage, converted into dwelling quarters, while their home was being built.

Blaze In Kitchen
O'Brien said his family, including his wife, two-year-old son, Edward Jr., and 12-day-old daughter, Jean, will be given temporary quarters in his father's home.

New Oxford Fire Chief Richard Smith said two pumps from the New Oxford company responded to a telephone call. Water was used from the truck's booster tanks and a nearby well.

The blaze was confined to the kitchen in the one-story building near the space heater. The contents of the combination kitchen and living room were damaged, or destroyed by the blaze, and the bedroom and clothing were damaged by water and smoke.

SEEK DEBATE ON
REPUBLICAN TAX
BILL IN HOUSE

HARRISBURG (P)—House Democrats called today for a point-by-point debate of a Republican one billion dollar tax program scheduled for passage in that branch of the Legislature tomorrow.

The Republican tax package, sparked by the 3 per cent sales tax, comes up for debate and possible amendment at the House's late afternoon session and a vote on passage tomorrow.

The package continues a group of existing taxes at present rates in line with the policy of the Republican leadership of avoiding new taxes.

Both Rep. Albert W. Johnson, Republican floor leader, and Rep. Albert S. Readinger, his Democratic counterpart, expected there would be votes to spare above the 106 necessary for passage. The GOP has 126 votes, the Democrats 83.

Asks Full Debate
But Readinger called for full debate on the tax problem, including

Republican elimination of the stamp plan of collecting the sales tax by the house ways and means committee last week.

"Why rush now when exactly the same thing can be done in another couple of months," Readinger asked. "The biennium does not end until May 31—and we will be in a better position to know our financial requirements in a few more weeks."

Johnson took the position that it was desirable to clear the way for "concentrated consideration" of Gov. Leader's proposed record two billion dollar budget.

At the same time John and other House Republicans called on their Senate colleagues to give the tax program the same speedy consideration.

"Will Pass Amendment"
"We will pass the amendments to the sales tax tomorrow and I predict the Senate will give its final approval within two weeks," Johnson said.

The Senate Republican leadership will be in position to act even earlier since Sens. M. Harvey Taylor, president pro tempore, and Rowland B. Mahany and Albert R. Pechan, floor leader and assistant floor leader, are due back from a Florida trip on March 4.

Boy Killed In
Snow Avalanche

DENVER (P)—A 16-year-old boy died early today after being buried alive in a tremendous snow avalanche that buried him and four companions 200 yards. Two others were seriously hurt.

The tragedy struck during a Sunday outing along St. Mary's Glacier on the eastern slope of the Rockies west of Denver.

Gary Moss was dug from his snow tomb nearly an hour later. He was taken to a highway on a sled provided by firemen at nearby Idaho Springs. He died early today in Denver Presbyterian Hospital.

Two Are Critical
Listed in critical condition was Jack Ganley, 18, Ellis Lance 17, was seriously injured.

The youths were attempting to climb a wind-packed snowbank and had reached the "trigger," or center of stress, when the snow-bank 2½ feet deep and 100 yards wide broke loose.

George Garramone, 16, and Russell Foley, 15, escaped injury in the slide. While Garramone tried to find his buddies, Foley ran nearly three miles to the home of a rancher and telephoned the U.S. Forest Service in Idaho Springs.

Out Of The Past

From the Files of the Star and Sentinel and The Gettysburg Times

ONE HUNDRED YEARS AGO
The Festival: The Ladies' Festival came off on Saturday last, at McConaughy's Hall, and was indeed a brilliant affair. The table was loaded for dinner with the most abundant of every thing that could please the palate, and the tasteful elegance which it exhibited called forth the admiration of all. Indeed we have rarely, if ever, seen anything of the kind to exceed it. Between one and two hundred persons partook of the repast, and all were delighted.

The supper at night was even more brilliant than the dinner. The table was very handsomely decorated, and the lights shed a beauty over it which called forth the praise of every one. It was also loaded with the delicacies of the season; and between two and three hundred partook, and all were delighted. Not the least disturbance occurred to mar the interest of the scene — and everything was beautifully harmonious and pleasant.

The room was tastefully decorated with evergreen; and at the end was the American Flag with an elegant portrait of the Father of his country.

The Ladies of the Presbyterian Church, we have reason to know and say, are highly gratified with the beautiful response to their invitation, which has been exhibited by the Ladies and Gentlemen of other denominations — and they look upon it as one of the most interesting features in the Festival. They return to their sincere thanks.

We have not heard what sum has been netted; but it has far exceeded expectations.

SEVENTY-FIVE YEARS AGO
Semi-Centennial: Pennsylvania College having been founded in 1832, arrangements are in progress to have a semi-centennial celebration during commencement week, next June. The program, which will be announced in due time, will include a number of addresses by alumni and friends of the institution, class and society regalia and a banquet. There will be an unusually large number of visitors, and it is to be hoped that our citizens will arrange to give them a cordial welcome. A College Memorial book will be published, giving a full history of the institution, biographical sketches, full lists of graduates and students, &c. It will be a handsome volume of about 450 pages. Over 500 copies have already been subscribed for. An effort will be made during the year to raise \$50,000 to endow the Presidency of the College and strengthen the Scientific department. Rev. M. L. Young has been appointed endowment agent.

On Monday last Dr. T. T. Tate, assisted by Dr. Charles Horner, removed a fatty tumor, weighing 8½ ounces, from the shoulder of John Hartman, Jr., of Franklin township. It was successful, and Mr. H. is doing well.

Taxes must be plenty in Adams county. The Commissioners' accounts show the payment of \$621.25 for scraps, while Cumberland county could only raise \$163.30 and Franklin \$260.50.

Today's Talk

ENTHUSIASM
I pass this idea along to whom it may be useful and effective — get enthused about anything that is of interest to you. Salesmen know, that without enthusiasm, little can be accomplished. The enthusiastic salesman makes it his big stock in trade!

Nothing is ever accomplished without enthusiasm. People are drawn to you as though you were a human magnet! If you are a salesman and are enthusiastic about your job, and the thing you have to sell, you will sell. Nothing can stop you. You will be welcomed at once.

Light up that brain of yours with the torch of faith, and belief in yourself, and you won't have to worry about good results. They will start humming all about you. You will become the welcomed man, no matter to whom you talk, or where you happen to be. You'll have followers. Just say to yourself I can — and you will! You can always be your best testimonial.

I was never so proud and happy as when I had my name put on the outside of a little office and had scarcely anything else but some choice ideas — and barrels of enthusiasm! That gift, which the Good Lord gave to me as an inheritance, has now lasted me for a full fifty years!

I have noted that people believe in the one who believes in himself. It's that simple. And it's such joy to keep distributing this belief and enthusiasm. You are always benefited as much as the one to whom you give yourself. The greatest happiness doesn't come from mere money, but because of many benefits that you turn loose!

I recall a small card that is in the Henry Ford archives at Dearborn, Michigan. It said: "Help the Other Fellow" — and Mr. Ford wrote under that motto these words: "To Help Himself!" People who help others to help themselves always create in them an enthusiasm that does not easily die!

Tomorrow Mr. Adams will talk on the subject: "Peace".

CAMERA FIEND
I am a camera fiend at best; My dearest friends I've often shot,
And what right now should be confessed:
I've cut the heads off all the lot.
One thing a party won't improve is
The time I take to show my movies.
The worst of photographic crimes
In pictures I have made appears.
I've taken party groups at times
And caught no one above the ears.
The guest of honor I'd be pleasing,
I captured just when he was sneezing.
Return of films I've grown to dread.
I seem to lack the artist's style.
"Look pleasant," I have always said.
And never forced a single smile.
When I for some great moment wait,
I press the button just too late.
To focus well I cannot see,
What I will catch I never know.
The camera's just too much for me,
A fact my pictures plainly show.
My movies never should be screened;
They prove that I'm a camera fiend.

PLAYOFFS FOR TOP CAGE TITLES ARE UNDERWAY

HARRISBURG, Pa. — The month-long battle of top scholastic basketball teams for the state championship begins this week with the start of district eliminations in some areas. Playoffs in nearly all areas will be underway by the end of next week.

PIAA officials in a number of districts met during the weekend to set up the program of playoffs leading to district crowns. A district title is requisite for entry in playoffs for the state crown.

One thing is certain at this point: There will be abundant new state champions. Farrell, the 1956 titlist, was eliminated Friday by undefeated Sharon 57-50.

Sharon, which took the Sect. III title in the WPAL along with the win, shows genuine class and could go all the way to keep the crown in the WPAL and particularly in the Sect. III league. The state title has gone to that league more than any other in the state since World War II.

Stiff Competition
Farrell, by virtue of its state crown, overshadowed Sharon most of the season, but the record is clear now.

The WPAL completed its regular season Friday. In virtually everyone of the huge district's many loops there was stiff competition for titles. Only a few teams came through league play without blemish.

One of these was McKeesport, state champion a few years ago and undefeated in this season. They were winners in the Sect. VI loop. They are marked a prime contender in the WPAL.

At the other end of the state teams in two districts completed their regular seasons and are ready for playoff action.

Allentown, of Dist. 11 one of the handful of undefeated teams, won the East Penn League and completes its schedule Tuesday in a pre-playoff warmup against non-district Coatesville.

Falmorton Wins
Palmerston, defending Dist. 11 king and state runnerup, romped off with the Lehigh Valley League crown Friday. The Bombers only loss of the season was a non-scheduled charity game when they without all state Bob Mikvy.

The indications now are for a prime game in the district to decide the area crown. Allentown also has an all state in Bob Heffner, who has set the pace for the Carries all season.

Some 90 miles south of Dist. 11 playoffs in Dist. 1 have been scheduled to start March 4. Chester, the hottest prospect in the region for the district crown, will meet Yeoman in the initial playoff encounter March 4.

The playoff situation in most other loops has yet to jell. This is particularly true in sprawling Dist. 6 where a host of leagues still have mopping up to do for circuit titles.

Face Important Games
Already set for playoff games are Altoona and Johnstown, independents, who won their berths in weeks gone by.

Dist. 2 still has a number of important games remaining in leagues before playoffs can be inaugurated. The key race currently is between Scranton Central, first half winner in the Lackawanna League, and Old Forge, second half leader in the loop.

Three From State Missing In Crash

WASHINGTON, Pa. — Three Pennsylvanians are among those missing following the crash near Seoul, Korea, last Saturday of a giant Air Force transport plane.

The Defense Department said that missing and unaccounted for are Lt. Frederick L. Boudreau, of Philadelphia, and Lt. Paul B. Warner, of Bellwood, Pa., both Army personnel.

The third Pennsylvania missing is Air Force S. Sgt. Allen P. Hile, husband of Evelyn V. Hile of Sunbury, and son of Mr. and Mrs. Joseph C. Hile of Harrisburg.

NORTH CAROLINA MUST WIN ACC MARCH TOURNEY

By JIM KENSIL
The Associated Press
North Carolina's 22-game unbeaten streak is the envy of the college basketball world.

But six big-time college coaches have something that Tar Heel Coach Frank McGuire would give a lot to own—a berth in the post-season NCAA University Division Tournament.

To make the NCAA event, the Tar Heels must take the Atlantic Coast Conference tournament March 7-9. It's a sure bet McGuire would swap a defeat in either of UNC's two remaining regular season games for that prize.

What A Dilemma
McGuire has said that he feared going into the tourney unbeaten, because the pressure would be too great.

Such a dilemma! Coaches at Connecticut, Canisius, Kentucky, Miami of Ohio, Southern Methodist and Idaho State can rest easy until the NCAA tourney. The same goes for Manhattan, Seattle, Memphis State, Dayton, Cincinnati and St. Bonaventure, who have accepted 6 of the 12 spots in the other major postseason circus, the National Invitational Tournament.

Connecticut In
Connecticut wrapped up the Yankee Conference spot last week. Canisius accepted one of the seven "at-large" bids Saturday and the other four NCAA starters looked up slots that night. Twelve other conference races and the bids that go with them are still in the pot.

Southern Methodist made the glamor group by whipping Rice 75-72 to pick up a third consecutive Southwest Conference title; Idaho State did it with a 47-36 triumph over Western Colorado State for the Rocky Mountain crown; and Miami came in with a 47-40 over Toledo to grab Mid-American laurels.

Kentucky, 79-60 winner over Alabama, can still be tied for the Southeastern Conference top spot. But Auburn is on probation and andy has lost twice to the Wildcats, leaving the prize a certainty for Adolph Rupp's five.

Other League Races
West Virginia, with the Southern Conference championship already won, still must take the league tourney to get the NCAA nod.

Here's a look at some other league races:
Big Ten—Indiana boosted its first-place record to 9-2 by dumping Wisconsin 85-74, while Michigan State stayed close, taking its eighth straight after three early losses, 70-65 over Minnesota. Indiana is at Michigan State Saturday.

Big "If" For Wilt
Big Seven—if Wilt (The Stilt) Chamberlain is to be an NCAA showpiece, Kansas (8-1) must ward off the challenge of Kansas State (7-2). Both won over the weekend; Kansas 87-60 against Nebraska and K-State 86-77 over Iowa State. Kansas is at K-State March 6.

TENNIS
NEW YORK — Kurt Nielsen, Denmark, overpowered Herbie Flam, Beverly Hills, Calif., 4-6, 6-1, 6-4, 6-4 to take the National Indoor Championship.

COLOMBO Ceylon
Althea Gibson, New York, won the women's singles title in the Asian tournament with 6-0, 13-11 victory over Britain's Pat Ward.

SPORTS

YOU'RE THE MANAGER

By BEN OLAN
Right-hander Johnny Klippstein had his best of seven major league seasons in 1956. He won 12 games for the surprising Cincinnati Redlegs.

With the Chicago Cubs for five years, Klippstein showed

promise but little else. They finally gave up and, on Oct. 1, 1954, traded him to the Redlegs in a five-player deal.

In a game against his old Chicago mates late last season, Klippstein was one of the key figures. Cincinnati Manager Bir-

ney Tebbetts had to make a quick decision. He called it correctly. What would you have done in the same situation?

(Key: (R) right-handed; (L) left-handed)
The Redlegs and Cubs are tied 3-3 in the last of the 14th at Chicago with Klippstein (R) on the mound for Cincinnati. Jerry Kindall starts off the inning with a triple. With a runner on third base and none out, Hobe Landrith (L) is sent in to pinch hit for pitcher Turk Lown. Eddie Miksis (R), Don Hoak (R) and Dee Fondy (L) are scheduled to follow.

Would you:
a. Have Klippstein intentionally walk Landrith and Miksis?
b. Have Klippstein intentionally walk Landrith and pitch to Miksis?
c. Let Klippstein pitch to Landrith?

Result: C — Klippstein pitches to Landrith and gets him on strikes. Johnny then retires Miksis on a grounder and Hoak on strikes to get out of the inning. Cincinnati wins 4-3 in the 15th on Frank Robinson's single (Aug. 15).

2 CHALLENGERS THREATEN REDS IN HOCKEY LOOP

By THE ASSOCIATED PRESS
The defending champion Providence Reds have opened up a four point lead in the American Hockey League, but now have to save off two challengers instead of one.

The Reds began the weekend tied with Cleveland, but Providence won twice while the Barons were losing a pair of games. Meanwhile, the sizzling Rochester Americans ran their winning to five and moved into a second place tie with Cleveland.

Providence whipped tall - end Springfield 4-2 last night after beating fifth-place Buffalo 5-1 Saturday. Rochester turned back Cleveland 4-1 Sunday night and edged Springfield 6-5 in overtime the night before. The Barons had bowed to Hershey 5-2 Saturday.

Bears Blasted
The fourth-place Bears, with a chance of moving within one point of third, were blasted by Buffalo 8-2 last night. As a result, Hershey trails Cleveland and Rochester by three points and is seven in front of Buffalo.

Providence struck for three goals in the second period to defeat Springfield after the Indians had scored in the opening stanza.

Winger Earl Balfour and goalie Bobby Perreault sparked Rochester to its victory over Cleveland. Balfour tallied twice and Perreault compiled 48 saves in the nets.

THREE BIGGER WRESTLERS GET TOP SEEDINGS

Biglerville High School's wrestlers, who close their regular season schedule tonight by meeting unbeaten Mechanicsburg at Biglerville, gained three first-place seedings for the Section 2, District 3 tournament to be held Friday and Saturday at Boiling Springs High School in drawings made Sunday at Boiling Springs.

George Flickinger, 95 pounder; James Daughenbaugh, 133, and Ralph Mentzer, all unbeaten this year and winner of sectional crowns last year, are the trio of Canners who drew to seedings.

Biglerville and Susquehanna rate as the pre-tourney favorites in view of their top seedings. Although Mechanicsburg has been unbeaten in dual competition, the scoring system used in tournaments favors Biglerville and Susquehanna.

LAFAYETTE IS EASY WINNER OVER BULLETS

A thoroughly outclassed Gettysburg College basketball team absorbed an 83-43 lacing at the hands of tournament-minded Lafayette Saturday evening at Eston.

The powerful Leopards 19-3, racked up their 12th straight victory with a brilliant defensive display, limiting the Bullets to but 14 field goals.

Lafayette built up an early 25-8 lead and after that Coach George Davidson used his regulars sparingly. At half time the Bullets trailed 41-20.

No Gettysburg player was able to hit the double figure column in scoring. Tim Cousins being high man with eight points on a trio of goals and a pair of free tosses.

Tony Mack rammed through 18 tallies for the Leopards and was closely followed by Corky Galtere with 17.

The Bullets, 7-16, have two more games remaining on their schedule. On Wednesday they meet the University of Scranton at Scranton and next Tuesday oppose F. and M. at Lancaster.

Mount St. Mary's Cagers Trounce Baltimore U. 105-60 To Win Mason-Dixon Conference Title Saturday Night; Jack Sullivan Hoops 33 Points

Coch Jim Phelan's Mount St. Mary's cagers nailed down the regular season Mason-Dixon Conference championship Saturday night by walloping the University of Baltimore 105-60 in Mt. St. Mary's Memorial gymnasium, Emmitsburg. Jack Sullivan with 33 points led a parade of Mountaineer scorers and upped his season total to 691, a new Maryland state mark. Prior to Sullivan's record breaking effort, Ernie Garrett, of Morgan State College had a season mark of 687 scored in the 1953-54 season.

Led by Sullivan's sharpshooting the Mountaineers steadily built up an insurmountable lead against the old foe. The blond forward Phelan's only senior, hit his first six shots from the field despite constant dogging by a Baltimore defense rigged especially to stop him. By half time the Mountaineers were ahead 52-27 despite the fact that Phelan had already yanked all his starters.

Sullivan Sprains Ankle
Midway in the second half Sullivan dropped his 33rd point and almost immediately turned this ankle and left the game. The injury was diagnosed as a slight sprain and should not incapacitate the Mountaineer ace.

Six Mountaineers hit in double figures as Phelan played most of the last half with his reserves. Only Ed Galen, hobbled with an ankle injury, saw no action.

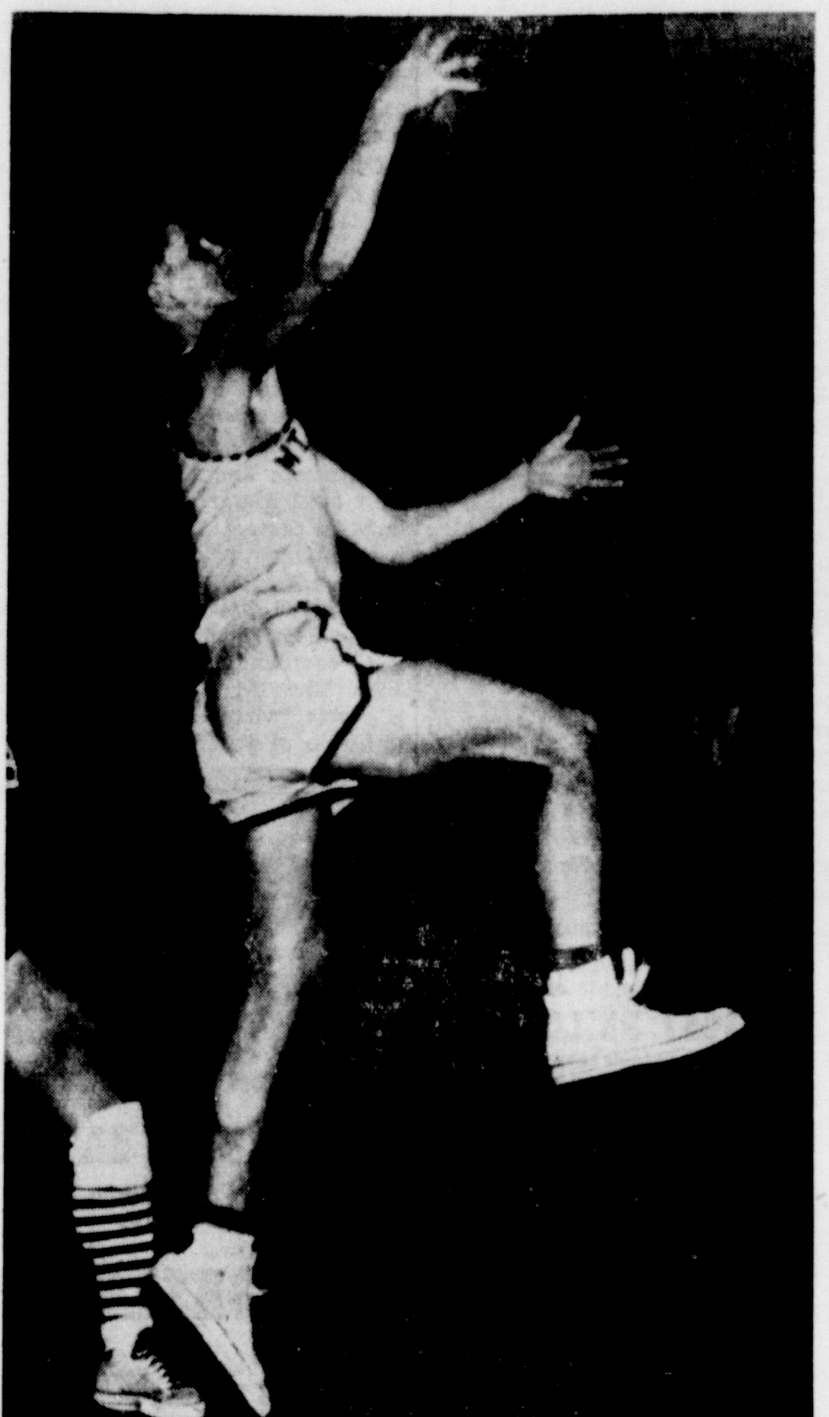

The tide turned early when Jack Marshall, speedy frosh back courtman, and Burt Sheing began stealing the ball as the Bees tried to bring it up court. After the first ten minutes it was no contest as Williams and Bohlinger swept both offensive and defensive boards and Sheing and Marshall demoralized the visitors by heading up a fast break.

Moyer Tops Losers
Sullivan led all the scorers with his 33 points, hitting on 12 of 20 shots from the floor and dropping 9 of 11 fouls. Pip Moyer led the Baltimore scorers with 17 points as the Mountaineer defense held the Bees to 18 field goals.

The victory was the 12th in a row for the Mountaineers who lost their last game, their only conference defeat, to Hampden-Sydney on Jan. 11. In addition to winning the Conference championship, the Mountaineers were named today to represent the Mason-Dixon group in the NCAA College Tourney which will begin March 4. The Mountaineers will play an as yet unnamed "At Large" team in the first round. The game will be played in Memorial gymnasium with starting time at 8 p.m. Should the Mountaineers win the opening round they will then be hosts to the winners of the CIAA-SIAC game.

The annual Mason-Dixon Conference tourney will begin on March 5 at Loyola College in Baltimore. The Mountaineers will be topseded and defend their crown on three successive nights.

Third Top Score
Sullivan now stands 13th among the nation's all-time small college scoring leaders with a career mark of 2,238. Two state marks will elude him: the career average of 24.6 points per game set by Nick Scallion

Jack Sullivan, greatest basketball player in the history of Mt. St. Mary's College, loops a hook shot in the closing minutes of the third period of the clash with Baltimore U. Saturday night to score his 33rd point of the game: It was his 691st point of the season, a new Maryland state mark, and his 2,238th point of his collegiate career.

of Washington College in 1952 and the high single season average set by the same player with a 26.9 average in 1950-51. Sullivan is far ahead of Scallion's single season pace with a current 32.9 average. Overall he is just a shade behind Scallion with a 24.59 career average. Latest NCAA records post Sullivan third among the nation's scorers with Hammond and Vieira ahead of the Mountaineer ace.

At Home Tonight
Tonight the Mountaineers face Steubenville College in Memorial Gym. The Barons walloped the Mountaineers in the season's opener and Phelan and his charges are anxious to turn the tables. Wednesday evening the Mountaineers play Fairleigh-Dickinson at Rutherford, N. J., and Friday night Phelan takes his team into Philadelphia's Palestra to tangle with Villanova in the first game of a doubleheader. The Mountaineer band and more than 450 students will make the Philadelphia trip to back the Blue and White.

Game Cancelled
Cancellation of the Mount-St. Vincents game, scheduled for next Sunday afternoon, was announced over the weekend due to the heavy playoff program for the Mountaineers.

The Mountaineers stand at 17-5 against all competition during the season. Coach Jimmy Phelan's record at the college stands at 58-15 over two and a half seasons.

Dickinson Takes Little 3 Swimming Meet; Bullets Last; Natale Wins Diving

Dickinson College's powerful swimming team captured the 12th annual Little Three swimming meet here Saturday afternoon by edging Franklin and Marshall 62-61, as Gettysburg trailed far behind with 26 points.

Lou Natale scored the only victory for Jim Lentz's Bullets by capturing the diving event with 42.7 points.

Dickinson won the meet with a victory in the final event, the 400-yard freestyle relay in which Bill Coston, Don O'Neill, John Kulp and Ed Mulligan turned in a time of 3:50.2 to establish a new Red Devil school mark.

Previous to the last event Dickinson and F. and M. had each won four events.

Two Pool Marks Fall
Two pool marks fell in the meet. Mulligan, Dickinson freshman, smashed one when he was timed in 2:18.4 in the 220 freestyle, while the other was set by F. and M.'s 400-yard medley team of Doug Fogg, Phil Berkelle, Roger Doman and Craig Scott in 4:33.3.

Dickinson's victory was its first in the Little Three meet. F. and M. had won eight times and Gettysburg three. It was the ninth win this season for Dickinson who lost only to Drexel in their opening meet.

Next Saturday all three teams will compete in the Middle Atlantic at F. and M.

Shantz won 24 games and was voted the American League's Most Valuable Player before breaking his wrist in September 1952. The club attracted more than 627,000 spectators at home that year.

On days when he was scheduled to pitch, attendance at Connie Mack Stadium ranged between 20,000 and 30,000. On other days, attendance averaged 8,000. With Bobby sidelined by injuries, the club drew 362,000 in 1953 and 304,000 in '54.

On Nov. 8, 1954, the club was sold to Arnold Johnson, who transferred the franchise to Kansas City.

The injuries cost Shantz some money too. It was suggested to the now balding 31-year-old native of Pottstown, Pa.

"I'll say it did," he said, "Between \$30,000 and \$40,000. I'd say. After winning only five games in '53, my salary was cut \$5,000. It was cut again the following year. The endorsements fell off too."

Shantz said he has worked out all winter in a Philadelphia gymnasium, along with Robin Roberts, Curt Simmons, Jack Meyer and Stan Lopata of the Philadelphia Phillies. He insists his arm is as sound as ever.

"I know I can help the Yankees. All I need is a chance to pitch," he said.

The Syracuse Nationals, who only a short time ago were buried in the cellar of the National Basketball Assn.'s Eastern Division, have moved into a position where they are threatening the Philadelphia Warriors' hold on second place.

With the end of the regular season just a little over two weeks away, the Nats today trail the Warriors by only one game after gaining ground over the weekend with two victories. They beat Minneapolis 103-101 Saturday and trimmed Rochester 109-103 Sunday.

Meantime, the Warriors dropped a 113-112 decision to St. Louis in their lone start of the weekend yesterday. The New York Knicks slipped 2½ games back of the Nats by splitting a pair. They beat Fort Wayne 102-94 Saturday but lost to pace-setting Boston yesterday 97-85 even though the Celtics played without ace Bob Cousy.

Cousy's knee is swollen from an injury suffered in last Friday night's game in Philadelphia against the Warriors.

Minneapolis, trailing Fort Wayne and St. Louis, tightened the Western Division by beating the Pistons 123-115 Sunday. Rochester gained a split in its weekend competition, beating St. Louis 101-86 Saturday before losing to Syracuse.

Fifteen straight points in the final period, including four field goals by Ed Conlin, carried the Nats to their victory over Rochester yesterday.

Arizona High At 37
Irv Bemoras' tip-in shot with two seconds left gave the Hawks their edge over the Warriors after Paul Arizin, the game's high scorer with 37 points, put Philadelphia ahead by one point with 10 seconds remaining.

In the absence of Cousy, Bill Sharman and rookie Tom Heinsohn provided the Celtics with their scoring punch. Sharman dropped in 27 points and Heinsohn added 20.

The Lakers chalked up 47 field goals against the Pistons for a club high for the season in moving into third place in the Western Division.

Big Spring became the playoff champion of the Adams County Basketball League by defeating Bolling Springs 49-43 in the title game Saturday evening played before 1,200 fans at Newville.

In the preliminary consolation game Littlestown handed Biglerville, regular season titlist, a surprise 45-36 setback.

A sterling performance by Frank Oiler, 6-1 forward, who tossed in five 25-foot goals and six fouls in the last half, led Big Spring to its triumph over the Bubblers.

Bill Minnich's Bolling Springs outfit led 20-17 at half time and held a scant 34-33 lead going into the final frame. Oiler looped five fouls and a goal as Big Spring took command in the last quarter. The winners caged 24 of 33 fouls, with the free throws playing an important role in the final stanza when the Bubblers went into a man-for-man defense. The Bubblers outshot Big Spring from the floor 15-12.

Oiler topped the new champs with 16 points while Howard Peterman netted 19 for the Bubblers, 11 of which came on 14 free shots.

Defensive Battle
Littlestown, who copied the play-off title last year, turned in a terrific last half defensive exhibition in jolting Biglerville. The Cannons were limited to a mere 10 points in the half, tallying but two points in the third period.

Biglerville led 25-25 at half time but slipped behind 29-28 in the third frame. The Thunderbolts could muster but four point in that period but it was enough to take the lead.

Clyde Fuhrman and Albie Snyder connected for 12 and 11 points for Littlestown while Don Bowers led Biglerville with 11.

U. N. DEBATE ON SANCTIONS IS DELAYED AGAIN

By WILLIAM N. OATIS
UNITED NATIONS, N. Y. (AP)—The U.N. General Assembly's debate on sanctions against Israel was delayed at least until this afternoon as U.S.-Israeli negotiations entered a new stage.

The Assembly's morning meeting was canceled after Secretary of State Dulles met in Washington with Israeli Ambassador Abba Eban.

An afternoon Assembly meeting still was on the schedule, but Eban said he was rushing details of his talk with Dulles to his government.

Seek Solution
The Israeli ambassador said he hoped for a prompt meeting with U.N. Secretary General Dag Hammarskjöld, and "it is hoped that out of the discussions a solution will be found consistent with the principles of the United Nations."

Eban's return with new instructions from his government and the resumption of negotiations between Dulles and the Israeli enabled the United States to postpone an announcement whether it would vote for the sanctions resolution, worked up in the 27-nation Asian-African group and sponsored by Afghanistan, Indonesia, Iraq, Lebanon, Pakistan and Sudan.

The resolution would call on all U.N. members "to deny all military, economic or financial assistance and facilities to Israel" until she quits the Gaza Strip and the Egyptian coast of the Gulf of Aqaba.

See 60 Votes Likely
An Asian-African diplomat said last night, "If Ambassador Lodge tells us that Israel is willing to withdraw, then we'll have to consider it. If there is no indication Israel is going to withdraw, there is no reason not to press the resolution."

A usually well-informed Arab source guessed that if the United States reported the sanctions resolution, it would get 60 or more votes in the 80-nation Assembly. But he said if the United States did not go along, the proposal

Has Real Marriage After 731 On Stage

NORTH HOLLYWOOD, Calif. (AP)—After 731 marriages blonde actress Donna Jo Gribble, 21, finally got her first honeymoon.

She and actor Steve Miller, also 21, were married at the First Presbyterian Church here yesterday. They were given a week off from their parts in the long-run melodrama, "The Drunkard," where Miss Gribble is the heroine. She gets married once per performance — and not to Miller, either. In "The Drunkard" he plays her half brother.

Train Dislodges Car From Tracks

OVERBROOK, Okla. (AP)—Witnesses said Earnest Howard Bond, 50, of Oklahoma City, didn't want any help when his car got struck between a main line and side track on a railroad intersection here.

They said Bond insisted on trying to free the car by spinning the wheels. A passenger train came along and did the job for him.

Bond stepped out without a scratch. He was taken to jail and booked on a drunk driving charge.

HARRISBURG, Pa. (AP)—A Harrisburg used car dealer has advertised: "For the next three days we will buy up to 10 of your Elvis Presley records for a credit of \$5 per record on the purchase of any car on our lot." The advertisement continues:

"Special offer to parents only!—If you're a parent you can wield the hammer on the records."

Israel says it cannot leave the Egyptian mouth of the Gulf of Aqaba and the Palestinian Gaza Strip, formerly under provisional Egyptian control, without guarantees against renewed Egyptian blockade of the gulf and renewed Arab raids from the strip.

The United States has been trying to work out a satisfactory compromise but agrees with the Arab contention that to go further than the assurances Dulles has given Israel would be to reward the Israelis for aggression.

News Briefs

BIRMINGHAM, Ala. (AP)—Meryl H. Geisking, 68, retired assistant to the president of U.S. Steel Corp.'s Tennessee Coal and Iron Division, died yesterday. Geisking was a native of Harrisburg, Pa.

FORT WORTH, Tex. (AP)—A Berwyn, Pa. Air Force enlisted man drowned yesterday in a boat-mishap on Lake Worth.

Dead was T. Sgt. John Kurlage, 27. Companions who made it to shore said the 10-foot motor craft began shipping water as it crossed the lake. Finally it swamped. Another airman was also drowned in the accident.

SHICKSHINNY, Pa. (AP)—Anthony Baldwin, 18, of Williamsport landed his rented airplane safely on a field along Route 11 five miles south of here yesterday after becoming lost and finding his fuel supply low.

Authorities quoted Baldwin as saying he rented the plane at Lewisburg Airport in the afternoon and became lost about dusk so decided to land in the first available place he spotted.

PHILADELPHIA (AP)—Dr. Harry Hodges, 77, a director of the American Bible Society, a member of the board of managers of the American Sunday School Union, former executive secretary of the Board of Pensions of the United Lutheran Church in America, died Friday.

White House Was Angry
The White House was equally mad at both men for the attack which infuriated the Arab world just when the United States was extremely anxious to keep the Arabs friendly to the West and away from Russia.

Eisenhower and the United Nations put pressure on the British and French to stop the shooting. Both did and left Egypt. But the independent French-British action caused the first postwar bustup among the three big allies.

bashi by only seven votes in the party's balloting for a successor.

He served as commerce minister in Tojo's Cabinet but was fired after differing with the wartime dictator over war strategy.

After the Japanese surrender, Kishi was jailed as a suspected war criminal but was free after three years without being charged. At Sugamo Prison outside Tokyo, Kishi relates, the American GI guards ordered him and other top-ranking Japanese prisoners "to scrub the dirty floor with soapy water, over and over, until it shone."

James MARLOW Reports

The Associated Press

WASHINGTON (AP)—The United States and France were as close as a pair of pants until they split over the French attack on Egypt last November. The pants have badly needed mending ever since.

So when President Eisenhower and French Premier Guy Mollet met tomorrow — the first such meeting since the invasion of Egypt — it will be like a couple of tailors sewing on a patch.

And the result, like any good patch, will probably be satisfactory but unsensational.

Mollet was premier when the attack was made. It was a combined French-British assault, arranged by Mollet with the then British Prime Minister Eden. It was also one of the clumsiest fumbles in French-British history.

White House Was Angry
The White House was equally mad at both men for the attack which infuriated the Arab world just when the United States was extremely anxious to keep the Arabs friendly to the West and away from Russia.

Eisenhower and the United Nations put pressure on the British and French to stop the shooting. Both did and left Egypt. But the independent French-British action caused the first postwar bustup among the three big allies.

Mollet and Eden very quickly wanted to come here to see Eisenhower to get things straightened out. That kind of reconciliation soon wouldn't have looked good to the Arabs. Eisenhower gave the two prime ministers a cold shoulder.

French Like Mollet
In the backwash of that military fiasco, the split between the United States and Britain, and Eisenhower's aloofness, Eden ran into trouble at home and finally resigned, pleading illness.

Not so Mollet, a dry, professional, colorless French politician. Reports from Paris say the

SETTLE PHONE STRIKE IN OHIO

COLUMBUS, Ohio (AP)—Officials begin planning today for what Gov. C. William O'Neill hopes will be "the immediate restoration to telephone service" in the Portsmouth, Ohio, area after the end of a seven-month strike.

O'Neill called a meeting of Portsmouth and Scioto County officials for today, as soon as he was notified yesterday that negotiators agreed on a settlement of the 226-day strike against the Ohio Consolidated Telephone Co. Part of the talks will deal with maintenance of order while phone service is being restored.

Terms Not Revealed
Company officials, along with French, even though dismayed by the willingness of their government to back out of Egypt so fast, admired Mollet for his daring in fighting at all.

But the rift between this country and its two allies couldn't be permitted to go on indefinitely. And Eisenhower, after talking things over with Mollet, will visit with Eden's successor, Prime Minister Harold Macmillan.

Angry With Dulles
What sometimes gets lost sight of in concern over the American-British-French split was why the British and French, who had worked hand-in-glove with this country, had attacked Egypt on their own without telling the United States.

Eden and Molle were sore at the way Secretary of State Dulles had handled Egyptian President Nasser's seizure of the Suez Canal. The British and French didn't want to let Nasser get away with it.

Dulles offered some plans for dealing with Nasser. None of them worked. They used up time. And they left Nasser in undisturbed possession of the canal. Eden and Molle didn't want any more of Dulles' delays. So they struck.

But it seemed clear from the beginning that any quarrel of this kind between the United States and its allies could be only temporary. They need each other too much in standing off communism to go their separate ways.

20 Die In Weekend Accidents In State

By THE ASSOCIATED PRESS
Accidents took the lives of 20 persons in Pennsylvania over the weekend.

The toll was the highest since the long New Year's weekend of Dec. 28-Jan. 1 when 30 persons were killed.

Eighteen of the deaths were due to highway mishaps, one was by drowning and another by fire.

A three-car collision near Mt. Carmel Sunday resulted in a double fatality — Walter Broken-shire, 53, and Mrs. Elizabeth Don-ey, 51, both of Catawissa, R.D. 1.

representatives of the striking Communications Workers of America and federal mediators, announced settlement of the long, violence-marked strike after a 25-hour bargaining session. Terms of the contract, however, were not immediately disclosed.

Negotiators worked around the clock as Portsmouth telephones were silenced by a new wave of vandalism that resulted in more slashed cables and knocked out the last of the 17,000 telephones in the area.

"If it is determined that the local officials cannot or will not afford full protection to persons and property required for the immediate restoration of telephone service, I shall then order the Ohio National Guard into the affected area to give such protection," the governor said in a prepared statement.

150-Mile Winds
The gale blasted parts of Washington state yesterday with gusts up to 158 miles an hour. The thawing wind melted snow on the slopes along the Powder River in eastern Oregon and about 40 homes in Baker were flooded.

Townfolk and National Guardsmen battled the river with sandbags to protect the rest of Baker, a community of 9,500.

In southeastern Oregon the Mal-hour River was expected to crest today after flooding parts of Vale and surrounding areas. Sheriff John Elvering said the community was "virtually isolated" with 18 inches of water over U. S. High-

Pacific Storm Pounds West Coast And Brings Death To 3

By THE ASSOCIATED PRESS
A bristling Pacific storm, with winds up to 158 miles an hour, barged into the West Coast over the weekend and killed three persons, flooded part of an Oregon city and grounded transoceanic air traffic.

Warm moisture-laden air from the Gulf of Mexico spread into the Midwest and brought relatively mild temperatures to the rest of the nation.

Continued rain was in prospect for the West Coast today, but without the furious winds.

Highway Blocked
In northern California, a 600-foot stretch of U.S. Highway 101—the main north-south artery—was blocked by a mudslide from 8 to 10 feet deep. More than 500 motorists were stranded at Willits.

A terrific gust felled a 125-foot fir tree near Grants Pass, Ore., and killed two foresters. A woman killed in Monterey, Calif., by a falling pine tree.

The torrential rains posed a minor flood threat to the Russian River resort area about 55 miles north of San Francisco.

As far south as Los Angeles, a quick downpour flooded lowland parts of the city for a brief period Saturday.

A Pan American Airways liner rode the wings of the storm from Honolulu to San Francisco in the commercial record-breaking time of 6 hours 4 minutes.

JUSTICE REED READS HIS LAST OPINIONS TODAY

By PAUL M. YOST
WASHINGTON (AP) — Associate Justice Stanley F. Reed, 72, reads his last Supreme Court opinions today, then steps into retirement after more than 19 years' service on the high bench.

The Kentucky Democrat, an appointee of President Franklin D. Roosevelt, said it was no longer wise for him to endure the "strain of unremitting exertion" required of a jurist.

President Eisenhower has not yet nominated a successor. The court has been in recess since Jan. 28.

Reed was expected to read majority opinions he has written in a number of pending appeals. His votes also have been cast on court orders ready for announcement.

Reed's retirement leaves an eight-judge court to hear arguments on a long list of new cases scheduled this week and next.

PLAN CAMPAIGN TO BOOST SALE OF EGGS IN MAR.

By RICHARD L. GRAVES
HARRISBURG (AP) — The poultry industry, together with state and federal agriculture departments, will join forces in March for an intensive merchandising and promotional campaign to sell eggs.

Aim of the program is to sell more eggs through regular marketing channels. The drive, labeled "March Egg Month," will seek to boost demand as a means of soaking up current large egg supplies.

The campaign is particularly important in Pennsylvania where egg production is a cornerstone of the state's 250 million dollar poultry industry.

Laying Flock Larger
Egg production in the nation through the last half of 1956 made more eggs available to consumers than ever before, the U.S. Agriculture Department reported. The high production level is expected to continue during the first six

months of this year. The nation's laying flock is about 3 per cent greater than at the same time last year. Regardless of Pennsylvania production or flock size, it is the national trend that will govern the market.

"This kind of program helps put America's abundance where it belongs—on America's table," declared Ezra T. Benson, U.S. secretary of agriculture.

Emphasis On Eggs
"I hope all segments of the food distributive industry will assist the poultry industry in giving special merchandising emphasis to eggs during March," Benson declared.

The new approach to overcoming surpluses by stepped-up marketing activity with state and federal promotion help is receiving solid support in Pennsylvania.

The State Agriculture Department, in addition to endorsing the current egg program, has asked the legislature to boost appropriations to its Department of Markets as a means of helping the various branches of the farm industry to help themselves.

Irrigation Pays
Another boost for supplementary irrigation: University of Nebraska research men have found that one acre of irrigated pasture can replace more than 7 tons of feed in dairy cow rations.

Tests by the university showed that an acre of irrigated pasture replaced 5.58 tons of silage, 1.34 tons of alfalfa and 410 pounds of grain.

It was found that cows in irrigated pasture produced a little more milk each day than cows in a non-irrigated pasture. The grazing rotations of pastures during the spring when forage was 8 to 10 inches tall. The animals were moved every 8 to 14 days.

Milk Research
The U.S. Army Quartermaster Corps has subsidized a research program for the past eight years at Pennsylvania State University to develop a dried milk that tastes like fresh milk.

The reason is that milk in addition to being a wholesome food is also a morale builder in the armed forces. A recurrent complaint of overseas troops, especially in the Orient, is that they never get fresh milk to drink.

In the U.S. Marine Corps Women's Reserve, overweight lady recruits are put on a diet of roadwork, grapefruit juice and celery stalks. They lose weight fast

"STUDIO ONE" TO TRY TWO-PART COURT DRAMA

NEW YORK (AP) — "I'll tell you how it ends," said Ralph Bellamy, "but I don't think it's fair to print it."

He was speaking of "The Defender," a courtroom drama by Reginald Rose, which will be seen in two installments on "Studio One" (CBS-TV) with the first part tonight and the windup next week.

Bellamy stars as the defense attorney for a young man accused of killing a woman during a robbery. He finds himself defending a man he believes guilty. He doesn't like the man, yet it's his duty to defend him. The man swears he's innocent, yet the lawyer believes he's guilty.

So far as can be determined, this is the first time one of the

regular law drama programs has presented a production in two installments. The device has been used in filmed series, of course. Bellamy recalled that in his filmed series, "Man Against Crime," which ended last season, a juvenile delinquency story was presented in two installments. The audience rating for the second half rose above the first, he said.

Bellamy believes that there's a big market in television drama for "something lighter and gay-er." So many scripts, he says, are concerned with violent emotions and physical problems.

Department of vital statistics: There are now 345 TV stations and 56 million TV sets in the world, the trade newsletter Television Digest reports in its new factbook.

Of this total, the United States has 496 stations and 42 million sets. Next in order are Great Britain, 19 stations, 6,500,000 sets; Canada, 37 stations, 2,450,000 sets; Russia, 31 stations and 1,300,000 sets; West Germany, 34 stations, 700,000 sets.
